Item 8.01 Other Events

2027 Annual Meeting of Shareholders

Honeywell Aerospace Inc. (the "Company") expects to hold its 2027 annual meeting of shareholders (the "2027 Annual Meeting") on or about May 12, 2027. The Company will provide additional details regarding the exact time, location, and matters to be voted on at the 2027 Annual Meeting in the Company's proxy statement for the 2027 Annual Meeting to be filed with the Securities and Exchange Commission prior to the 2027 Annual Meeting. Because the Company did not hold an annual meeting of shareholders in 2026, the Company is announcing the following deadlines for shareholder proposals and director nominations for the 2027 Annual Meeting.

Rule 14a-8 Shareholder Proposals

To be considered for inclusion in proxy materials for the 2027 Annual Meeting, shareholder proposals submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), must be received by the Company's Secretary at Honeywell Aerospace Inc., 1944 E Sky Harbor Cir N, Phoenix, Arizona 85034 no later than the close of business (5:00 p.m. Mountain Standard Time, the "Close of Business") on December 11, 2026, which the Company has determined is a reasonable time before it begins to print and send its proxy materials. Any proposal received after such date will be considered untimely. Any such proposal must comply with the requirements of Rule 14a-8.

Proxy Access Nominations

Article III, Section 4 of the Company's by-laws (the "By-laws") provides that an eligible shareholder or group of shareholders seeking to have a director nominee included in the Company's proxy materials may do so by delivering a Stockholder Proxy Access Notice (as defined in the By-laws) to the Company's Secretary at Honeywell Aerospace Inc., 1944 E Sky Harbor Cir N, Phoenix, Arizona 85034. For the 2027 Annual Meeting, a Stockholder Proxy Access Notice must be received no later than the Close of Business on February 19, 2027. A shareholder submitting a proxy-access nomination must also file a Schedule 14N with the SEC and deliver it to the Company by the same date, which the Company has determined to be a reasonable time before it expects to mail its proxy materials. The Stockholder Proxy Access Notice must include the information, and be accompanied by the materials, required by the By-laws.

Advance Notice Deadline for Director Nominations and Other Shareholder Proposals

The By-laws also provide separate advance-notice procedures for director nominations that are not submitted through proxy access and for other shareholder business that is not submitted under Rule 14a-8.

For the 2027 Annual Meeting, a shareholder seeking to nominate a director outside the proxy-access process or to bring other business before the meeting must deliver the information required by the By-laws to the Company's Secretary no earlier than January 22, 2027, and no later than the Close of Business on February 19, 2027.

Rule 14a-19 Notice Requirements

A shareholder who intends to solicit proxies in support of director nominees other than the Company's nominees must also comply with Rule 14a-19 under the Exchange Act. Compliance with Rule 14a-19 does not replace the applicable notice and other requirements in the By-laws.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
